DETAILED ACTION

1. The reply filed on April 22, 2003 is not fully responsive to the prior Office Action because: the elected Species I does not read on the claims that Applicant points out. None of the Figures relating to the elected Species have any flexible elastic sealing orifice. Applicant was put on notice from the time that Applicant received the restriction requirement to elect with the inherent understanding that Applicant must review the application to ascertain which claims are applicable to which embodiments in the disclosure. Therefore, since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action.
